

# ECO-WARRIORS

## NEWSLETTER

November

During Term 1, we have been busy making plans for our projects this year. Ollie suggested that we should introduce recycling bins at Breakfast Club so that children can learn how to recycle plastic and paper packaging. Great idea Ollie!

We are planning to go on our first litter pick in the area around the school soon, but the weather seems to have other plans!

### Eco Wildlife Garden- update!

At our last Eco Warriors meeting, we talked about how we could raise money to buy plants and seeds for the wildlife garden and made a 'shopping list' of all the things we will need to buy, collect or find.

We decided that (nearly) everything in our Eco Garden should be recycled, reclaimed or reused; so, if anyone has any old wooden decking boards, spare wooden pallets or even old tyres please email [sarah.bradbeer@st-peters-folkestone.kent.sch.uk](mailto:sarah.bradbeer@st-peters-folkestone.kent.sch.uk) or speak to Mrs Kowalski in the office.

We will also gratefully take any donations of pollinator friendly seeds or bulbs to plant and any other vessels that could be used as planters. Thank you!

This month (if it ever stops raining) we will start to clear some of the weeds and dead plants that are in the garden area ready for planting as soon as the warm weather comes.

### Daffodils! “*And then my heart with pleasure fills, and dances with the daffodils.*” WORDSWORTH

We have been working hard to clear the weeds and dead flowers from the boxes at the front of the school and this week we planted lots of daffodil bulbs, so that in Spring next year there will be lots of colour.

### And....

We are very pleased to announce that we have a new Year 5 Eco Warrior. Welcome Jenson!

St Peter's Eco-Warriors meet every two weeks on a Monday.
