

Hello, my name is Sarah Goodwin and I am the Assistant Headteacher and staff governor.

I have been at St Peter's for 23 years, starting as a student teacher in January 2002! During my time here, I have had the opportunity to teach all year groups. I currently teach the EYFS class, Penguins. I lead English and the Curriculum which allows me to support staff in creating a rich, aspirational curriculum which enables all children to meet their potential.

Last year I completed training to become a Beach School teacher. This allows me to take the EYFS children to the beach every week and each year group every term. We combine outdoor play with curriculum based learning. This approach benefits children's physical, social and emotional development whilst encouraging curiosity, resilience and a sense of wonder in the natural world.

I am passionate about the arts and so enjoy working with local artists and utilising the wonderful opportunities Folkestone has for our young people. This includes visiting the Quarterhouse for shows, learning about Triennial artworks and taking part in the Charivari carnival each year.

My role as Health and Safety governor allows me work alongside Mark Champion to monitor health and safety policies and ensure they meet best practice.

Outside of school, I enjoy time with my family and friends. I like to go on long walks and have recently taken up yoga. I love living by the sea, so spend lots of time on the beach and swim in the sea all year round.
