

! GOVERNOR NEWS!

July 2022

As we approach the end of yet another school year, the governors would like to thank all the staff in the school who have worked so tirelessly on behalf of the children.

Realising the impact that Covid has had on everyone's life, the teachers have worked hard to settle the children back into school and to give them again all the experiences that enrich their education and their lives.

We know you will be aware of all the school trips and experiences that the children have been able to engage in this year. Outings to London and the zoo, museum trips, sports activities, in-school activities to name a few- all planned to help children socialise with each other and to gain in confidence in their own abilities and knowledge.

The Governing Body welcomed Sarah Goodwin as our staff representative in September 2021 and the members have remained stable since then. We have continued to monitor the school on your behalf and we have looked at the curriculum, the school budget and safeguarding in particular- all to ensure that your children are receiving the very best education suited to their needs.

Sadly Michael Keeler-Walker, who was a Foundation Governor, has resigned this July after serving seven years on the board. Michael has certainly been an asset to the Governing Body, particularly in the areas of RE, Worship and SIAMs and he will be greatly missed. We wish Michael all the very best for the future.

Finally, the governors would like to wish all our Year 6 children good luck in their new secondary schools and we hope they will come back from time to time with all their news.

In September, we will also be welcoming our new children into the EYFS class and we hope that they will soon settle and enjoy school. We are looking forward to meeting the parents/carers of these children and we hope that you will attend any governor functions that are planned for next year.

All that remains is for us to wish you a lovely summer and we hope that you are able to get out and about with the children.

We look forward to working with you in the future.

The Governors of St. Peter's School
