

I would like to extend a warm welcome to St Peter's C of E Primary School. Our whole school community values the contribution every child and adult brings to our school, which makes our school a happy and harmonious place to learn and work. Our mission statement is available to view on our website and underpins all that we do at St Peter's.

As a Church of England school, Gospel values are at the heart of our school. Learning is our core purpose and we champion challenge and learning within a safe school environment where people are helpful, considerate and respectful of each other. This academic year our key focus is on making the learning engaging with a level of challenge which encourages our pupils to develop resilience, independence and persistence. This will facilitate lifelong learning.

Relationships and attitudes are very positive and an ethos exists in which learning together becomes an enjoyable and fulfilling experience for all. I feel privileged to be the head teacher of a school which is truly unique and which has such a strong 'family' and great links with the community.

Our school has a positive reputation for embracing and celebrating every kind of achievement. We develop the 'whole child' and this is reflected in our commitment to inclusion and unity. At all times we

strive for the highest standards in all areas of the curriculum for all children.

At St Peter's we welcome parents as partners so that, together, we can promote high standards of learning, behaviour and attitudes to enable every child to be the best that they can be. Thank-you for taking the time to consider our school and I hope that our website provides you with a flavour of what our school has to offer you and your child. If you have not already done so, I encourage you to come and visit us to find out more. Our Head Boy and Head Girl will give you a tour of our interesting building and you will have the opportunity to meet our staff and children. Appointments can be made through the school office.

We look forward to meeting you and welcoming you to our school.

Yours sincerely

T Browne
