

### Seahorses' Homework - Term 1

Welcome back, we hope you've had a fun summer! Here are your tasks for term 1.  
Please complete **at least 5 tasks** and return your homework book to school by **Monday 13<sup>th</sup> October**.

In Science, we are learning about the human body: Make a model to show how one of your joints works (choose hinge, ball and socket, or sliding joint)

In Maths, we are all learning to add and subtract using bigger numbers: Use these numbers to create 10 calculations, using + or -

In History, we are learning about the Stone Age, Bronze Age and Iron Age: Can you research how people lived during one of these periods of time and write a diary extract?

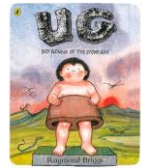

In Art, we are looking at prehistoric cave paintings: Choose your favourite British animal or bird and draw a prehistoric-inspired line drawing of that animal- remember to use strong black lines and earthy tones.

In French, we will be learning how to introduce ourselves and say how we are feeling: Draw a self-portrait with a speech bubble that uses the phrase "Je m'appelle \_\_\_\_\_"

You could add a further sentence underneath that explains how you feel in the picture.

Our PoR book this term is 'Ug- Boy Genius of the Stone Age'.

YEAR 3:	YEAR 4:
32	213
91	464
46	901
73	102
80	653
152	390
234	4281

If you could time travel back to Ug's cave, what is the one modern invention you would show him that would change his life? Write a paragraph to explain what you would show him and why. Include a picture with instructions on how to use it.

In RE, we will be learning about creation:

Create a collage showing the 7 days of creation using drawings, magazine cut-outs, or digital images.

In Jigsaw, we are learning how to make our school welcoming and a good place to learn.

Write a welcome letter to a new child explaining what kinds of things we do and how we treat each other.

In Music, we are learning to play the violin: Can you draw a picture of a violin and label it? Explain how the violin is played.

In Computing, we are learning about networks and devices:

Draw a map of the devices in your home and how they communicate with one another.

Don't forget to look at the school facebook page to see regular updates about all the fantastic learning we're doing in class.
