Fiona Roberts – Co-Opted Governor

Hello my name is Fiona and I have worked in primary education for over 25 years as a teacher, SENCO and senior leader. Throughout my career my aim has been to help every child feel valued, supported and confident in their learning. I truly believe that every child is unique and that by recognising their individual strengths and needs, we can help them develop and thrive.

I am pleased to be part of the Governing Body at St Peter's and am committed to supporting the school in providing the best possible education and opportunities for all pupils. I know that strong partnerships between the school, families and the wider community are key to helping children succeed. Working alongside staff, parents, carers and fellow governors, I will help support the school's aims and values of ensuring all children reach their full potential.

When not at work, I enjoy spending time with my husband and two daughters and going for walks with our dog, Hamish. I particularly enjoy swimming and whenever I get the chance, baking.
