Jaclyn Kay – Co-opted Governor

I am very pleased to be joining St Peter's Primary School as a governor. Education has been a huge part of my life and career, having taught in a primary school for the last 22 years. I am passionate about creating positive opportunities and experiences for children.

As a qualified teacher and an experienced school leader, including working as a headteacher, I bring experience in school improvement, teaching and learning, inclusion and SEND. I strongly believe that children learn best when they feel safe, valued, supported and are confident in themselves.

Alongside my professional experience I am also a parent to two older teenage sons, who have both been through the education system, giving me valuable perspective as a parent as well as an education professional.

Outside of education, I enjoy keeping active and particularly enjoy running, which I find is a great way to unwind and spend time outdoors.

I am excited to bring my experience to the governing body and to work with the school community to help every child at St Peter's flourish.
