St. Peter's CEP Anti-Bullying Policy

Introduction

At St Peter's CEP, we are aware that pupils may be bullied in any school or setting, and recognise that preventing, raising awareness and consistently responding to any cases of bullying should be a priority to ensure the safety and well-being of our pupils. In line with the Equality Act 2010, it is essential that our school:

- Eliminates unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

At St Peter's CEP, we are committed to safeguarding and promoting the welfare of pupils and young people and expect all staff and volunteers to share this commitment. Under the Children Act 1989, a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a pupil is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns to their Local Authority's safeguarding team.

- This policy is based on DfE guidance "[Preventing and Tackling Bullying](#)" July 2017 and supporting documents. It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" (updated September 2022) The setting has also read Childnet's "[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)" and has taken into account the findings in the study carried out by the DfE on bullying outlined at www.gov.uk/government/publications/approaches-to-preventing-and-tackling-bullying

1) Policy objectives:

- This policy outlines what St. Peter's CEP will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community.
- St. Peter's CEP is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Links with other school policies and practices

- This policy links with several school policies, practices and action plans including:
 - Behaviour and discipline policy
 - Complaints policy
 - Child protection policy
 - Confidentiality policy
 - Online safety and Acceptable Use Policies
 - Curriculum policies, such as: PSHE, citizenship and computing
 - Mobile phone and social media policies

3) Links to legislation

- There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may

include (but are not limited to):

- DfE (updated 2022) 'Working Together to Safeguard Children'
- DfE (2022) 'Keeping children safe in education'
- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986

4) Responsibilities

- It is the responsibility of:
 - The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
 - The Designated Safeguarding Lead (DSL) to ensure that all forms of bullying (including cyberbullying, prejudice-based and discriminatory bullying) are recognised by our community as being abusive (specifically child-on-child and/or emotional abuse) and to ensure that any concerns are responded to as safeguarding concerns, in line with our child protection policy.
 - Governors to take a lead role in monitoring and reviewing this policy.
 - All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
 - Parents/carers to support their children and work in partnership with the school.
 - Pupils to abide by the policy.

5) Definition of bullying

- Bullying is recognised by St Peter's CEP as being a form of child-on-child abuse and that children can abuse other children.
- Bullying is considered to be a '*behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally*'. DfE 'Preventing and Tackling Bullying'.
 - Bullying can take many forms and is often motivated by prejudice against groups; for example, on grounds of race, religion, gender, sexual orientation, special educational

needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences.

- Bullying can involve an imbalance of power between the perpetrator and the victim; this could involve perpetrators of bullying having control over the relationship which makes it difficult for those they bully to defend themselves. An imbalance of power can manifest itself in several ways, it may be physical, psychological (knowing what upsets someone), derive from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate.
 - Bullying can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.
 - Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (for example, excluding people from groups) and spreading hurtful and untruthful rumours.
 - The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying; specifically, this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- St Peter's CEP recognises that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development.
 - St Peter's CEP believe that bullying should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".
 - If left unchallenged or dismissed as "banter", it can lead to reluctance to report other safeguarding concerns or unacceptable behaviour. Early intervention will help to set clear expectations of the behaviour that is and isn't acceptable and help stop negative behaviours escalating.
 - We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - All victims of bullying will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

6) Forms and types of bullying covered by this policy

- Bullying can happen to anyone. This policy covers all types and forms of bullying including:
 - Bullying related to physical appearance
 - Bullying of young carers, children in care or otherwise related to home circumstances
 - Bullying related to physical/mental health conditions
 - Physical bullying
 - Emotional bullying
 - Sexual bullying, including sexual harassment and comments
 - Bullying via technology, known as online or cyberbullying
 - Prejudicial bullying (against people/pupils with protected characteristics) which may include:
 - Bullying related to race, religion, faith and belief and for those

without faith

- Bullying related to ethnicity, nationality or culture
- Bullying related to Special Educational Needs or Disability (SEND)
- Bullying related to sexual orientation (homophobic/biphobic bullying)
- Gender based bullying, including transphobic bullying
- Bullying against teenage parents (pregnancy and maternity under the Equality Act)

7) School ethos

- St. Peter's CEP community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- Bullying is not tolerated at St Peter's and any reported incidents will be dealt with quickly and effectively.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- **Our Community:**
 - Understands the importance of challenging inappropriate behaviours between children.
 - Monitors and reviews our anti-bullying policy and practice on a regular basis.
 - Supports staff to promote positive relationships to help prevent bullying.
 - Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
 - Seeks to learn from good anti-bullying practice elsewhere.
 - Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to bullying

- The following steps may be taken when dealing with all incidents of bullying reported to the school:
 - If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
 - The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
 - The DSL will be informed of all bullying issues where there are safeguarding concerns.
 - The Headteacher/Designated Safeguarding Lead (DSL) or another member of

leadership staff will interview all parties involved.

- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or Integrated Children Services, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools.

8.1) Cyberbullying

(Childnet's Cyberbullying guidance should be accessed in the event of cyberbullying occurring)

- When responding to cyberbullying concerns, the school will:
 - Act as soon as an incident has been reported or identified.
 - Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
 - Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
 - Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
 - Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy. (*The DfE 'Searching, screening and confiscation at school' and Childnet cyberbullying guidance should be accessed to ensure that the school's powers are used proportionately and lawfully*)
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
 - Ensure that sanctions are applied to the person responsible for the

cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.

- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;
 - providing advice on blocking or removing people from contact lists;
 - helping those involved to think carefully about what private information they may have in the public domain.

8.2) Generative artificial intelligence (AI)

Artificial intelligence (AI) tools are now widespread and easy to access. Staff, pupils and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Bard.

St Peter's CEP recognises that AI has many uses to help pupils learn, but may also have the potential to be used to bully others. For example, in the form of 'deepfakes', where AI is used to create images, audio or video hoaxes that look real.

St Peter's CEP will treat any use of AI to bully pupils in line with our anti-bullying policy.

8.3) Sexual harassment

In light of recent media attention and reports on children's experiences with sexual harassment in schools, this has now been added to our Anti-Bullying Policy as a separate and more detailed section.

Sexual harassment refers to unwanted conduct of a sexual nature that occurs online or offline. Sexual harassment violates a pupil's dignity and makes them feel intimidated, degraded or humiliated, and can create a hostile, sexualised or offensive environment. If left unchallenged, sexual harassment can create an atmosphere that normalises inappropriate behaviour and may lead to sexual violence.

Sexual harassment includes:

- Sexual comments.
- Sexual "jokes" and taunting.
- Physical behaviour, such as deliberately brushing against another pupil.
- Online sexual harassment, including non-consensual sharing of images and videos and consensual sharing of sexual images and videos (often known as sexting), inappropriate comments on social media, exploitation, coercion and threats – online sexual harassment may be isolated or part of a wider pattern.

All staff are aware that pupils of any age and sex are capable of abusing their peers and will never tolerate abuse as "banter" or "part of growing up".

All staff are aware that peer-on-peer abuse can be manifested in many different ways, including sexting and gender issues, such as girls being sexually touched or assaulted, and boys being subjected to hazing/initiation type of violence which aims

to cause physical, emotional or psychological harm.

All staff are aware of the heightened vulnerability of pupils with SEND, who are three times more likely to be abused than their peers. Staff will not assume that possible indicators of abuse relate to the pupil's SEND and will always explore indicators further. Additional barriers to recognising abuse in children with SEND include:

- Assuming that indicators of abuse, such as mood and behaviour, relate to the child's disability.
- Children with SEND being disproportionately impacted by bullying and harassment without showing any outward signs.
- Communication barriers.

LGBTQ+ children can be targeted by their peers. In some cases, children who are perceived to be LGBTQ+, whether they are or not, can be just as vulnerable to abuse as LGBTQ+ children. The school's response to boy-on-boy and girl-on-girl sexual violence and sexual harassment will be equally as robust as it is for incidents between children of the opposite sex. Pupils will be made aware of how to raise concerns or make a report and how any reports will be handled. This includes the process for reporting concerns about friends or peers and will be discussed as and when they happen in the classroom, individually or in a group situation and within the Jigsaw PSHE curriculum.

If a disclosure or allegation of sexual harassment is made, the following actions will be taken by the DSL or DDSLs when dealing with the incident.

- The victim's wishes (in line with Safeguarding regulations and limitations of Confidentiality)
- The nature of the incident.
- The ages and developmental stages of the children involved.
- Any power imbalance between the children.
- Whether the incident is a one-off or part of a pattern.
- Any ongoing risks.
- Any related issues and the wider context, such as whether there are wider environmental factors in a child's life that threaten their safety and/or welfare.
- The best interests of the child.
- That sexual violence and sexual harassment are always unacceptable and will not be tolerated. Immediate consideration will be given as to how to support the victim, alleged perpetrator and any other children involved. In rare or more extreme cases, these incidents may need to be referred on to Children's Social Care or the Police.

Transgender and Gender Questioning Young People

Please note: the DfE expects to publish the revised guidance on gender questioning children. The policy may need to be reviewed when this document is made available.

Additional support for education settings regarding equality, diversity and inclusion is available via the [Education People EDIT team](#).

The umbrella terms transgender and trans are viewed by many people as being acceptable terms to describe people whose sense of their gender or gender identity is seen as being different to typical gender norms. However, wherever possible individuals should be given opportunities to say how they identify or describe themselves rather than labels being ascribed to them. Children and young people may question their gender identity for a range of reasons, and this does not mean

they are definitely transgender or will go on into transition. It is important to validate the young person's identity as it is now and support any changes that may arise as they come to explore their identity further. Gender identity concerns one's internal sense of self (male, female, neither or both) and how one chooses to express oneself. This is completely different from sexual orientation which concerns who one is sexually attracted to.

Gender reassignment is a protected characteristic and as such transphobic bullying is taken seriously at St Peter's CEP. This is achieved by identifying, recording, addressing the needs of the victim and perpetrator and ensuring that the curriculum is trans inclusive to prevent transphobic bullying from taking place.

Although being transgender does not in itself constitute a safeguarding risk, KCSIE (2021) recognises that gender-based violence is a specific safeguarding issue and this can include violence towards transgender people.

Students should know that they can talk to members of staff about their gender identity in confidence through appropriate pastoral staff within the School, and the counselling services that are available

Staff should treat student transgender issues with sensitivity. If a member of staff considers that a student is in immediate danger or at risk of harm referral should be made to children's social care and/or the police immediately. Please see the School's Safeguarding Policy for further details on the formal process for referral where this is appropriate.

Peer on Peer Abuse

All members of staff at St Peter's recognise that children are capable of abusing their peers, and that it can happen both inside and outside of school and online. St Peter's believes that abuse is abuse and it will never be tolerated or dismissed as "banter", "just having a laugh", "part of growing up" or "boys being boys" as this can lead to a culture of unacceptable behaviours and an unsafe environment for children. All staff have a role to play in challenging inappropriate behaviours between peers. Staff recognise that some peer on peer abuse issues may be affected by gender, age, ability and the culture of those involved.

St Peter's recognises that peer on peer abuse can take many forms, including but not limited to: Bullying, including cyberbullying; prejudice-based and discriminatory bullying; abuse in intimate personal relationships between peers (such as coercive control); physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm; sexual violence and sexual harassment including consensual and non-consensual sharing of nudes and semi-nude images and/or videos (also known as sexting or youth produced sexual imagery); causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party; upskirting (which is a criminal offence), which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to cause the victim humiliation, distress or alarm.

In order to minimise the risk of peer-on-peer abuse, St Peter's will: implement a robust anti-bullying policy, provide an age/ability appropriate PSHE and RSE curriculum, provide a reporting mechanism e.g. worry boxes, establish trusting and open relationships between staff and children so children feel comfortable discussing any concerns they have.

St Peter's want children to feel able to confidently report abuse and know their concerns will be treated seriously, avoiding victim blaming, providing appropriate pastoral support (including counselling and ad hoc PSHE lessons) and working with parents/carers. All allegations of peer on peer abuse will be reported to the DSL and will be recorded, investigated, and dealt with in line with associated school policies, including child protection, anti-bullying and behaviour. All such incidents will be recorded officially on CPOMs. St. Peter's also actively engages with external agencies in regard to peer on peer abuse. Learners who experience abuse will be offered appropriate support, regardless of where the abuse takes place.

If an incident is reported the Headteacher (along with governors, and in consultation with parents) will determine the appropriate sanction in line with other school procedures. Any incident of peer-on-peer abuse could result in the student being excluded, either internally or within a fixed term capacity. Continued incidents of peer-on-peer abuse could result in the student being permanently excluded. Where appropriate outside agencies such as Educational Psychologist, Social Services and Police may be involved. It should be noted however that the 'abuser' may also be the 'abused' and significant support, guidance and investigation must be implemented to protect their rights and safety as well.

8.2) Supporting pupils

- *Pupils who have been bullied will be supported by:*
 - Reassuring the pupil and providing continuous pastoral support.
 - Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
 - Being advised to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience as appropriate.
 - Working towards restoring self-esteem and confidence.
 - Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.
 - Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services, or support through the Children and Young People's Mental Health Service (CYPMHS).

 - Discussing what happened, establishing the concern and the need to change.
 - Informing parents/carers to help change the attitude and behaviour of the child.
 - Providing appropriate education and support regarding their behaviour or actions.

 - Sanctioning, in line with school behaviour/discipline policy; this may include official warnings, removal of privileges (including online access when encountering cyberbullying concerns), and fixed-term or permanent

exclusions.

- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children's Services, or the Children and Young People's Mental Health Service (CYPMHS).

8.3) Supporting adults

- Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.
- *Adults who have been bullied or affected will be supported by:*
 - Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
 - Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
 - Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
 - Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
 - Reassuring and offering appropriate support.
 - Working with the wider community and local/national organisations to provide further or specialist advice and guidance.
- *Adults who have perpetrated the bullying will be helped by:*
 - Discussing what happened with a senior member of staff and/or the headteacher to establish the concern.
 - Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
 - If online, requesting that content be removed.
 - Instigating disciplinary, civil or legal action as appropriate or required.

Note: Specific guidance is available for leaders regarding dealing with complaints made on social networking sites: www.kelsi.org.uk/child-protection-and-safeguarding/e-safety

 - Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral

support as required.

- Openly discuss differ children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create "safe spaces" for vulnerable children and young people.
